1   Orxonox Primer

1.1   Maillists

There are three major mailing lists:

Development: Talk about development issues and administrative tasks, medium traffic.

```
orxonox-dev at mail.datacore.ch
```

Announce: Announcements for Orxonox, for example new releases, new features. Low traffic.

```
orxonox-announce at mail.datacore.ch
```

Commits: Auto generated mails from the subversion server, high traffic.

```
orxonox-commit at mail.datacore.ch
```

1.2   Internet Relay Chat

IRC: Chat server for the Orxonox developers and users.

```
irc://irc.datacore.ch#orxonox
```

1.3   Webpage and Webinterfaces

Representative Webpage: For a short introduction into the Orxonox project

```
http://www.orxonox.net
```

Wiki Knowledge Tank: To collect the knowledge

```
https://www.orxonox.net/cgi-bin/trac.cgi/wiki/
```

File Tank: Place to store public data

```
http://www.orxonox.net/files/
```

Repository: The subversion repository, user/pass:

```
https://svn.orxonox.net/orxonox/
```

Web Statistics: Awstats shows the monthly web statistics, user/pass:

```
https://www.orxonox.net/awstat/awstats.pl
```

1.4   Subversion Repositories and Tools

Orxonox: The Orxonox source code repository.

```
svn co https://svn.orxonox.net/orxonox orxonox
```

Data: The data for the Orxonox game, maps, models, textures etc.

```
svn co https://svn.orxonox.net/data data
```

1.5   Installing and Running Orxonox

Installation: Orxonox runs on all major platforms like Linux, MacOSX and Windows.

```
https://www.orxonox.net/cgi-bin/trac.cgi/wiki/Running
```

1.6   Coding Orxonox

Doxygen Documentation: The pure source code documentation directly exported from the source.

```
https://www.orxonox.net/cgi-bin/trac.cgi/wiki/Coding
```

Wiki Coding Knowledge Tank: A source for documenation and coding standards.

```
http://www.orxonox.net/trunk/doc/html/
```

Online Resources: Some good online resources to read through.

```
http://www.zib.de/Visual/people/mueller/Course/Tutorial/tutorial.html
http://www.network-theory.co.uk/docs/gccintro/
http://www.uow.edu.au/~nabg/ABC/ABC.html
```
